-There are prevalent complaints among he citizens of an unusual amount o ickness this spring. The common disesses are pnenmonia, cerebro-apinal me ingitis and various sorts of aggravated ds, which assume a febrile character. -The city authorities need entertain no opprehensions of danger. Messra Pin-on, Frank Davis, Farrington and others ents given the Russian Grand Dake -The death of Judge Smith created ofound gloom among Tegal circles yeardsy. He was one of the shining lights of the Tennesses bar. A severe student, an acute logician, a learned lawyer and a most urbane gentleman, he had no ene-

mies and few rivals in his profession. -Attention is called to the advertisement of Mat. Shelby, so long and favorably known in connection with the detec-tive police force of the city. He is now, as deputy sheriff, prepared to serve the ublic. Shelby is reliable, and may be ied upon to execute well and promptly all business that is entrusted to him. —A crystalized oyster, within a rough, hard, lagged shell, was opened yesterday by Peter Canale. The crystal is exceedingly brilliant, of yellowish

inge, but not half as hard as this sto-y about it. In fact, we woulnd's like o swallow either the stone or the story. ete told the one and pocketed the othe -A tury in the first circuit court yes terday gave a verdict for \$1881 damages in tavor of William Kuhn against the Peooles Insurance company. Kuhn's gro ery store, on Hernando atreet, near E liott, was burned in August, 1870, and his insurance policy was in the Peoples, where payment was refused. The case was disposed of as above yesterday. -Two buffalo calves are on exhibition

walked all the way from Omsha to Memphis, except when they had to be "ferried o'er" the streams. They may be seen going to water every day, between noon and 8 o'clock. They must have running water to drink, hence their daily journeys o the river and back. They may be purchased for seven hundred dollars. -The attention of retail merchants from the country is called to the advertisement

advantage to them. This staunch old house has just enlarged its stock and pre-pared to fill orders for goods of any style and to any extent. The Lowensteins are among the largest dry-goods dealers in the Southwest and sell as reasonably as any in their line.

amount of cash capital—say \$20,000. The this capital they will purchase one-half of any invention they may any in their line. -It is said that cold baths twice each day, and thorough rubbing down of the half of his invention in stock of the asso-person with sackcloth and seles, is a sure ciation at the same rates. He thus makes

omn in danger, uses an electrical battery o give strength to his nerves; but the ors all say that perfect cleanliness is not only promotive of good morals, but preventive of meningitis and womengitis. -Captain Smith is getting after those people who make a living by soliciting for steamboats and railroads. There are about a dozen of them in the city who do this a dozen of them in the city who do this sort of business and pay no license. The captain arrested a few of them a few days ventor will secure the full benefit of his thoroughly tested whether they are liable or pay the city tax. They oppose it by egal process. They not only sold to the said. Those who would be seen to the full benefit of his inventions and the association will be liberally rewarded for outlays made in extending this aid. Those who would be seen to the full benefit of his inventions and the association will be liberally rewarded for outlays made in extending this aid. ago with the view of having the matter legal process. They not only solicit, but even lodge passengers in large rooms on the levee, charging each fifty cents for s snoozs on the floor.

-The feast of Purim will be celebrated his year in Memphis with unusual splen-or. The members of the Hedekel Lodge No. 100, I.O.B.B., are aiready making preparations for a grand bal masque on the twenty-fifth of this month which will the ball the grandest ever witnessed

before in Memphia. The cards of invita-tion will be issued to-day. -The South street rioters, to the num of a baker's half dozen were taken t of the stationhouse yesterday by lonel Cox, the constable, and brought before Justice Winters who sent them all to jail. The bane of these people is bad The police way that all hands with burnt sugar, and costs about four cents per quart in the raw state. A pint five hogs a week ago.

among bulls and bears, who growl and trade in the necessaries of life along the river shore. The scales are magnificent Themis-the god of justice-who used to weigh souls and determine whether they were hefty enough for admittance to paradise. There was so much talk about the "scales" that a very dull policeman, who forgot that Judge Pat. Winters were the

cales-and found wanting.

-The old Gas company has erected in front of the AFPEAL office a lamp-post that does infinite credit to their taste and our own good sense. The APPEAL once blew up the old Gas company so effective-ly that the story went abroad, not leng erward, that lightning had smitten the people, instead of consulting their pock-its, went off at a tangent, and contracted for gas at three dollars per thousand feet. The APPEAL did not propose to mislead anybody, and advised people to look be-

AMUSEMENTS.

TREATER—"The monkey at the theate—did you see him?" is the general inquiry about the city. The monkey is Little Mac, who has such astonishingly short legs and performs such inde cribsb'e reats with them. The house last night happily contained a very appreciative audience who roared with laughter all night, "Schneider" "goes well". The performance is aimply amuaing, pretends to nothing else and in that respect is a thorough success. And, as a ugh success. And, as a A little laughter now and then is relished by the best of men,

the company succeeds. Bal Masque,—The usequerade at the Club hall last night w? an annusing affair, not largely attended but select. The amusement was a success as such, if not financially. Memphis ought to cultivate such things, as they serve to rule out the wrinkles from the brow of care.

PERSONAL.

same time offers to them a prospect of better profits than can be made in any other investment. The association pro-poses to raise by subscription a certain amount of cash capital—say \$20,000. With and the inventor will invest the other half of his invention in stock of the asso cracing with secretary and sense, is a sure proventive of meningitis, that comes like hangman and cracks people's necks. The sinner, who thinks his cervical col-mum in danger, uses an electrical battery or give strength to his nerves; but the rocaring patents and having working amples of the inventions made, and the laventors will superintend the manufacture of their inventions until they are per-fected and ready to be offered to the public. Afterwards the inventions will association will address them, care of

You might sa well cry down the bar-rooms here and protest against treating the committee with disrespect. He believed the men who were put off for their being permitted to continue busi-

able lustitution. There is no reason why both institutions abould not flourish side by side as similar ones do at New York,

THE GENERAL COUNCIL.

Proceedings Last Night—Reports of Offi-cers—Firemen Discharged—A Patch of the Leves to be Condemned.

Both boards of the general council met last evening at half-past seven o'clock, in regular monthly session. The reading of the voluminous minutes of previous meet-ings occupied ever half an hour. THE REPORTS OF CITY OFFICERS

Further communications on the same will find place in future numbers subject will find place in future number of the APPRAL as they present them

tion of the petition was indefinitely post-A resolution was adopted ordering the city engineer to repair the gates and fence of Court Square,
Alderman White offered a resolution the proposed cotton exchange, I will providing for the appointment of a comquote from the constitution of the New orleans cotton exchange, after which city. Adopted, and Messrs. White, Burke

The following resolution was adopted: Resolved, That a joint committee of two aldermen, four councilmen and the the purpose of conferring with the Elm-wood Cemetery company in reference to the acquisition by the city of the ground on Main street, known as Morris ce for a public park, to be known as "Lenow park," and that they report the result of their conference to the general council at s next meeting.

Messrs. White and Cicalla were appointed on the committee from the board

aldermen. An ordinance passed first reading and was referred to ordinance comm making all owners of vehicles reaponable for the criminal acts and om Alderman Burks submitted the follow

thorized to remove all the dilapidated booths about the North market and have proper buildings put up, and that the receipts of both markethouses be set saide for that purpose. Adopted.

The real-estate committee was instructed to incurre the other than the chartile her which the most casual observer.

The prominent objection to this cotton

First Presbyterian church holds the property on which the church and parson

THE PIREMEN'S GARE. OFFICE FIRE DEPARTMENT, Memphis, March 5, 1872.

Alderman Pendargrast wanted to know their being permitted to continue ounness, because they are the cause of so
many men getting drunk. Suppose it were
done, would that stop the evil? So with
this speculation in "paper" cotton—it will
be done without one as easily as with

Alderman Wallsh said that he was chairan of the fire committee, and could say

Another prominent objection seems to be that the establishment of a cotton exchange will destroy the usefulness of our chamber of commerce and ultimately do away with it. This objection is not a valid one, as I have yet to hear of the first man who, in the event of the cotton exchange becoming a fixed fact, desires to save his connection with that respectively. Another prominent objection seems to the charges were not sustained. It was intimated to him that their discharge re-

ON THE EUROPEAN PLAN.

FOR a while after the termination of the great war, Memphis isbored under nume-rous depressing influences, which prevents a her merchants from offering to surround.

ng country dealers such facilities as armeetly desired. Those difficulties lowever, continued, one by out, to ve intil she can now confidently invite Pho Largest, Best and Clovest Benlers throughout the entire surrounding country to a market which, taking all things into consideration, can offer them:

GREATER INDUCEMENTS for their trade than either New Orlsans, St. Louis, Cincinnati, or Louisville, in the mat-ter especially of Bry Goods, Clothing Tankee Notions, White troods, Ladies' Trimmed Hats, Mibbous, Stationery, etc., etc.
